Houston based Singer/Songwriters playing Originals, Folk Music, Celtic Music and other Traditional Tunes, as well as covering Nostalgic Favorites!

You've seen them in their respective groups throughout the years, now they've joining forces to bring you the very best humor and harmony blend in the Celtic Music and Folk Music HTown community!

Celia Homer (Christmas Revels, Revelry, Wenches, The Sisters, In Accord), Paul Cooper (Across The Water, Houston Symphony Chorus,

Houston Balalaika Orchestra, Wylde Meade), Bob Stevenson (voted Lord of the Christmas Revels, Revelry Outreach), Ella Forel (Christmas Revels, Revelry, Wenches, The Sisters, In Accord), and Saena Eyre Solus (Celtic Chorus of Houston, Simply Scottish, Revelry, Wylde Meade)

Original members: Saena and Paul have been playing and singing together for many years now. Not just bandmates, but close friends, they have formed an unshakeable brother-sister bond that has seen each other through some truly challenging times. The music keeps them going through it all. They love their extended family ensemble, and their hope is also to bring you "The Songs They Wrote" later in 2024 as a duo. You never know what turns life will take, so hope for the best and plan for the rest!

# Singer-Songwriters Kim Solem and John Hull will open!

Kim Solem and John Hull perform original jazz tunes that are swinging, lively and fun. Their clever lyrics and virtuoso guitar and flute work are second to none.

Hull and Solem share a love for Tin Pan Alley music from the 1930s and 40s, and Solem said that they try to make their music sound like these old tunes. Some of their songs include a modern twist, like "The Coffee Song". ~https://www.facebook.com/KSO616/~https://www.instagram.com/kimsolem616

Biography - "'Joni' Mitchell ... is a Canadian-American singer-songwriter, multi-instrumentalist, and painter. As one of the most influential singer-songwriters to emerge from the 1960s folk music circuit, Mitchell became known for her personal lyrics and unconventional compositions which grew to incorporate pop and jazz elements...[She] began singing in small nightclubs in Saskatoon and throughout western Canada, before moving on to the nightclubs of Toronto. She moved to the United States and began touring in 1965. Some of her original songs ("Urge for Going", "Chelsea Morning", "Both Sides, Now", "The Circle Game") were recorded by other folk singers, allowing her to sign with Reprise Records. Settling in Southern California, Mitchell helped define an era and a generation...Mitchell produced or co-produced most of her albums and designed most of her own album covers, describing herself as a "painter derailed by circumstance"... #### THERE IS NO BANK ON WALL STREET THAT BELONGS TO ME

MY NAME IS MORGAN, BUT IT AIN'T J. P.

G

A man named William Morgan took his gal to see a play,

And on their journey homeward, they stopped in to a café.

As soon as they got seated, Liza grabbed the bill of fare,

G D7 G

Called the waiter, and she ordered ev'rything was there.

Bill says, "I knows you're hungry, gal, and I don't like to squeal,

But who do you suppose is goin' to pay for such a meal?

You may have known me pretty long, but you sure have got my initials wrong

My name is Morgan, but it ain't J. P.

My name is Morgan but it ain't J. P.

You might think I own a railroad company IMAGE BY FREEPIC.DILLER ON FREEP!K

You may have known me pretty long, but you sure have got my initials wrong.

My name is Morgan but it ain't J. P.

Bill Morgan married Liza thinking he could change her way, But what she did to William's purse I'm most ashamed to say. Whenever she went shopping, she'd buy ev'rything she'd see, And what she couldn't pay for, she'd have sent home C. O. D.

One day six big deliv'ry wagons backed up to Bill's door.

They asked him to accept the goods while they went back for more.

It didn't take Bill very long to go and get his hat and coat.

When Liza came back home that night, she found this little note:

My name is Morgan but it ain't J. P.

There is no bank on Wall Street that belongs to me

You may have known me pretty long, but you sure have got my initials wrong

My name is Morgan but it ain't J. P.

#### **EMMIT'S PLACE NEEDS YOU**

As many of you might have heard, Susan, the operator of Emmit's Place and an avid supporter of live music, was recently diagnosed with cancer. She is focused on the health battle ahead and will be unable to operate the club over the next several months.

While she has insurance to cover her medical care, Emmit's Place will not be able to support paying the 70+ hours of labor each week that Susan typically worked unpaid. We are requesting donations to help cover these labor costs so we can keep the doors open at Emmit's Place in her absence. Large or small, any donations are greatly appreciated.

To make a donation and read updates from Susan about progress in her health battle, please visit the GoFundMe page at the link below.
