

MY WEDDING DAY

(C. Mims) Pandulce Music BMI

Connie was one of the panel of three singer-songwriters who gave us such a fantastic show at our May Second Saturday Concert. She graciously gave us permission to publish this song of hers in the *Rag*. "My Wedding Day" is from Connie's 2008 CD release "Go Deep", produced by Jack Saunders at White Cat Studios, Houston. Connie performs this one with capo at Fret III. The chord designated as C2 in the chorus looks like this:

My cousin wants to lick the icing off the cake and so do I
I've got a lacy handkerchief wrapped around a rose bouquet
It's my wedding day

CHORUS:

Then I close my eyes, and go back in time to that tomboy in a tree

Then the music starts, the doors swing wide and there I see
Am7 D
My childhood friend is now the man who wants to marry me

Mama cries a sweet goodbye as daddy gives his girl away
