

# EXPLOSIONS IN YOUR EYES

This is a first for our recently inaugurated song column. In January we featured *Mattie May* by Zachary's mom, Carolyn Davis. This month we are happy to present this lyrical delight which Zachary first performed for us at one of the pickin parties a few months back. The first verse and chorus show the actual chords created by the lively guitar lick he uses in the accompaniment. The second verse and chorus show a simplified version if you just want to strum it. You can listen to it here: <https://youtu.be/KllzbcdDRZY>

## SUNSHINE

*By Zachary Tyndall*

**C C/B Am Am7**  
Sun shinin' through the window,  
**F Fmaj7#11 C G**  
window still weepin' from the mornin' rain,  
**C C/B Am Am7**  
last of the rain fallin' to the ground,  
**F Fmaj7#11 C G**  
disappears dancing down the drain.  
**C C/B Am Am7**  
Your hair's a mess on my shoulder,  
**F Fmaj7#11 C G**  
the tangled twists comin' out of your mind.  
**C C/B Am Am7**  
And all your desires burnin', settin' fires,  
**F Fmaj7#11 C G**  
with the explosions in your eyes.

### Chorus:

**F G G9 G**  
And when you smile I can smell sunshine  
**Am G F**  
like flowers in May,  
**F G G9 G**  
And when you cry I can hear the rain fall  
**Am#9 Am9 G9 G F**  
like that April day.

**C Am**  
Your head is haloed in a streetlight.  
**F C G**  
You hold the rose to your nose and smile.  
**C Am**  
Your sweater's shiverin' from the outside hours,  
**F C G**  
of walkin' up and down this city mile.  
**C Am**  
You're smokin" cig'rettes at the cafe table.  
**F C G**  
You lean back and look up at the swirls,  
**C Am**  
jealous of the way they twist and flutter,  
**F C G**  
floutin' flyin' like a flapper girl.

**F G**  
And when you smile I can smell sunshine  
**Am G F**  
like flowers in May  
**F G**  
And when you cry I can hear the rain fall  
**Am G F**  
like that April day.

**F C**  
And when you're gone,  
**E7**  
when you're gone,  
**Am G C**  
I hope you come back to me someday.

And when you smile I can smell sunshine  
like flowers in May  
And when you cry I can hear the rain fall  
**Am G F C**  
like that April day.
